E. Foundation Report – Charity Tyler
   - The Foundation is on track for its FY18 donation goals. Ms. Tyler continues meetings with partners to get Cedar Rapids children signed up for Dolly Parton Imagination Library prior to the soft launch in January and a full public launch in April.
   - This year, the Foundation is partnering with the Los Angeles Public Library for their annual Stay Home and Read a Book Ball. The Foundation had a similar non-event fundraiser last year, modeling the Los Angeles Public Library’s event.
   - Recently, the Foundation has expanded their social media presence.

F. Friends of the Library Report – Libby Slappey
   - The Friends are in the process of cleaning up and consolidating their files.
   - In addition, they will host their first Saturday Sale of the 2018 calendar year on Jan. 6 at the downtown library. Ms. Slappey noted they look forward to selling books during the March 3 Community Cultural Celebration and Expo. They hope to have a selection of materials for sale that complement the event’s theme.
G. Service Spotlight: Young Adult Job Coach Program – Jessica Link
   - In conjunction with area schools, the Library has created a volunteer program to develop workplace skills for students with disabilities. The tasks are based on the needs of the students and are tailored to help the respective students gain and master new skills as they grow in their competencies. Educators support students while working in the Library and can assess abilities.
   - Ms. Link notes that the program will continue to respond to the needs addressed by the schools. Every students’ program is individually tailored and can vary each semester.
