I. Library Board Committee Reports
   - Finance Committee – Randy Ramlo, Committee Chair
     o The May financials are 1/12th of the way through the fiscal year. All expenses and revenues are on track as the year closes.
     o Action: Purchase Order and Payment Approval – cost of subscription for circulation/cataloging software and services for the downtown and Ladd libraries. Payment in the amount of $136,882.71 to SIRSIDynix. The motion to approve the purchase order and payment to SIRSIDynix in the amount of $136,882.71 passed with unanimous approval.
     o Action: Janitorial Contract Amendment
       o With the addition of Sunday hours at the downtown library, we need to add cleaning service. Ms. Schmidt has recommended trialing a day porter on Sundays to work from 2-6 pm versus an overnight four-person crew. We will evaluate the effectiveness of the plan between now and the contract renewal this fall. The price increase is $4,812 a year. The motion to approve the janitorial contract amendment passed with unanimous approval.
   - Personnel and Policy Committee – Susan McDermott, Committee Member
     o Action: Approve Director’s two step increase of 5%
       • Ms. McDermott provided an overview of how the City defines and uses steps and cost of living increases annually. She also noted that last year, Ms. Schmidt’s grade was increased to align with other City directors. The City does not use merit increases except in a few cases.
       • The committee recommends a two step increase this year because of Ms. Schmidt’s exemplary year; she specifically cited the National Medal, The Opportunity Center at Ladd, and her review results. The motion to approve the Library Director’s two step increase of 5% carried with unanimous approval.
   - Advocacy Committee – Jade Hart, Committee Chair
     o From Awareness to Funding: Voter Perceptions and Support of Public Libraries in 2018
       • Ms. Hart highlighted a report from OCLC on current perceptions and support among voters for public libraries; this particular report is a follow-up from an initial study completed in 2008. The study was completed with voters, which does not necessarily equate to patrons.
       • The report shows that in the last ten years while voters still support libraries, their support is declining. Voters still believe that libraries hold value but committed support is softening. In addition, the report indicates that voters are unclear on how libraries are funded.
       • Ms. Hart discussed how the Advocacy Committee will utilize this information to help guide their advocacy efforts and tactics to shape the future.

J. Library Director’s Report
   - Construction around the downtown library continues. Ms. Schmidt noted that we are seeing a decline in circulation, particularly for the children’s collection and door counts. It is unclear if the other libraries in the network are seeing increases in their usage statistics. It is anticipated that construction will conclude in late July to early August, depending on the weather.
   - On July 1, library hours expanded with Sunday hours downtown and 8-9 am Mondays-Thursdays at Ladd. 267 people visited downtown on Sunday and 16 people on Monday
and then again on Tuesday visited Ladd between 8-9 am. Ms. Schmidt reminded the board that we are piloting these new hours.

- City Facilities Maintenance is finalizing the bid for the construction of the Opportunity Center at Ladd Library. The bid document should be released by the end of July.
- The new City HR director has started this week.
- The strategic planning work groups have completed their work. The staff were passionate and did great work. Ms. Schmidt has prepared the documents for feedback and further work from The Ivy Group. Their initial reactions have been positive and complimentary. Ms. Schmidt plans to bring content to the August board meeting.
- A committee has been formed to improve the safety and vibrancy of Greene Square. Ms. Schmidt represents the Library. The committee is also making connections with community partners to address social issues, such as a day shelter.
